bram.emmen@ou.nl

Presentation outline

1. Innovation of police on the dark web
2. The dark web in your backyard
3. Trust on the dark web
4. Research outline

Innovation of police on the dark web

- Silk Road
2011 - 2013
- Seize and takedown

**Silk
Road**

anonymous marketplace

Innovation of police on the dark web

- Seize and takedown
- Like playing whack a mole

Innovation of police on the dark web

- Alphasay
4 July 2017
- Seize and takedown

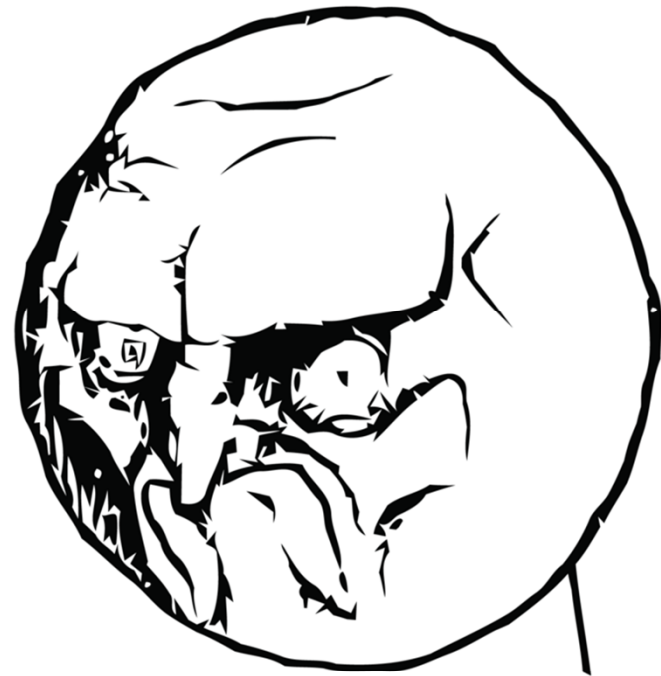

Innovation of police on the dark web

- Hansamarket
20 July 2017
- Seize and takeover

Innovation of police on the dark web

- Childsplay
- Seize and takeover
- Countryshopping

The dark web in your backyard

- Not only on a National/global level but the police is also 'forced' to deal with the dark web in lower level police work.

Sneek

The dark web in your backyard

- XTC-case from Sneek
 - pseudo sale on the dark web mixed with 'good old fashioned police work'

Sneek

Trust on the dark web

- Trust as an important concept
- Buying on the dark market
- Exit scams
- No protection

Research outline

- Case file analysis
- Doing interviews with LE personnel and Experts in the Netherlands
- Doing interviews with LE personnel and Experts abroad
- Finishing my PhD-thesis
